OFFICE OF PETITIONS**INFORMATION DISCLOSURE STATEMENT**

Applicants submit herewith patents, publications or other information of which the applicants are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references are listed on PTO-1449 form (modified) enclosed herewith. A copy of this U.S. Patent reference is not submitted.

A translation of any foreign language reference, if any, is indicated in PTO-1449 form and being submitted herein if it is readily available. Otherwise it should be construed that such translation is not readily available.

Additional comments, if any, on the relevance of each reference listed are provided as follows:

It is noted that U.S. Patent No. 5,882,384 was cited in the International Search Report in corresponding PCT application PCT/US02/32155, a copy of which is attached. Applicant only recently noted that this reference was not cited in this U.S. Patent application, despite its having been examined by the same examiner who searched the corresponding PCT application during the same period as the issuance of the first Office Action in this application. This IDS is being submitted for the opportunity to review the reference.

The Statement is made on the basis of the information:

- X supplied by the inventor(s);
 X supplied by an individual associated with the filing and prosecution
of this application (37 CFR 1.56(c)); or
 X in the attorney's PCT file.

Respectfully submitted,
